Bhavya Chauhan

Software Developer | AI/ML Engineer

New Delhi, India | bhavyachauhan3112@gmail.com

github.com/bhavi834 | LinkedIn: bhavya-chauhan-b8997b286

EXPERIENCE

Grid Apps LLC | Software Development Intern

June 2026 to present | New York, USA

Developing Next.js frontend modules for a multi-tenant CMS, integrating Laravel REST APIs for dynamic content and CRUD operations. Improving multilingual experiences through reusable components and localized content rendering. Enhancing dashboard navigation, responsive UI, API integrations and data presentation.

ONGC Ltd | SAP ABAP Intern

June 2025 to July 2025 | New Delhi, India

Developed SAP ABAP solutions for vendor, tender, EMD and refund management under Project ICE. Built module-pool Dynpro applications, Open SQL data handling, ALV reports and Adobe PDF reporting, with validations and role-based functionality.

SELECTED PROJECTS

PPE Detection Kit | Python, YOLO, OpenCV, PyTorch, NumPy

Developed a computer vision system to detect helmets, safety vests and other protective equipment in video feeds, identifying PPE violations to support workplace safety monitoring.

Paw Patrol | HTML, CSS, JavaScript, PHP, MySQL, REST APIs

Built a pet-care platform for adoption, fostering, services and supplies, with authentication, role-based access, CRUD operations and structured database management.

AlertLens | Hackathon runner-up

Built a system that groups and analyzes alerts, identifies important issues and prioritizes incident response. Earned second place and an INR 30,000 prize.

EDUCATION

Manipal University Jaipur | 2023 to 2027

Bachelor's in Computer and Communication Engineering | CGPA: 7.97 / 10

TECHNICAL SKILLS

Languages and data: Python, C++, C, SQL, NumPy, Pandas, PySpark
Web and systems: Next.js, React, Laravel APIs, FastAPI, Flask, SAP ABAP, Git, Linux
AI/ML: PyTorch, OpenCV, machine learning, deep learning, NLP, LLMs, RAG, computer vision, XAI
Foundations: Data structures and algorithms, OOP, DBMS, operating systems, computer networks

RECOGNITION AND LEADERSHIP

Student Excellence Award, twice: Recognized for research contributions, innovative projects and consistent academic excellence.

IAESTE India LC MUJ: Business Development and Internal Relations Manager. Coordinated incoming and outgoing exchanges, corporate outreach and international internship opportunities.
